RE: Golden Triangle POADP #296

Dear Mr. Heimer:

The Development Review Committee has reviewed and accepted your proposed plan for Golden Triangle. The plan has been assigned File #296 for future reference.

Please note that this action does not establish any commitment for the provision of utilities, services or zoning of any type now or in the future by the City of San Antonio. Additionally, this action does not confer any vested rights to plat under the existing Unified Development Code. Any platting will have to comply with the regulations in force at the time of platting.

If you have any questions, please contact Roy Ramos at 299-7900.

RE: Golden Triangle Subdivision Unit 2 POADP

Dear Mr. Guzman:

Attached are six (6) prints of the POADP which covers the area which is owned by the Developer. Currently we are platting a 40,000 square foot tract at the intersection of I.H. 10 and Huebner Road. The POADP is submitted for your review as required in the City of San Antonio Unified Development Code.

As per our discussion by phone on 21 December, 1988, we request that your department expedite the review of this POADP. The Developer is required to have a subdivision plat approved on the 40,000 square foot tract within three to four weeks. We will be submitting a subdivision plat for processing and approval as soon as we obtain the POADP review and approval.

Should you have any questions or require additional information, please call.

Sincerely yours,

VICKREY & ASSOCIATES, Inc.
